# IndianaMoM

Mission of Mercy  
Free Dental Care

**2 Days + 2,000 Patients + 1,000 Volunteers**  
**3 Ways to Participate**

## Dentists Care

*In 2013, a concerned group of dentists and others acted to help address the oral health needs of uninsured and underinsured Hoosiers by starting the Indiana Mission of Mercy (MoM). In addition to improving the oral health of the children and adults in need, IndianaMoM brings awareness to the public, policymakers and legislators about the importance of regular dental care for overall health. IndianaMoM promotes and advocates for long-term solutions that provide quality dental care for all Hoosiers.*

## Volunteer

It takes hundreds of volunteers to successfully treat approximately 2,000 patients in two days. Indiana MoM needs dentists, hygienists, assistants, lab staff and general volunteers. Please join us on **May 17 and 18!** Sign up online at [www.indianamom.org/register](http://www.indianamom.org/register).

## Donate

IndianaMoM may be free dental care for Hoosiers who need our help, but money is needed to stage such a large event. It costs around \$250,000 for facilities, equipment, supplies, instruments, computers and follow-up care for our patients. From major gifts to \$10 donations, every penny helps. To donate to the 2019 IndianaMoM event, visit [www.indianamom.org/donate](http://www.indianamom.org/donate).

## Provide Follow-Up Care

With just two days to help people, we know we cannot solve every problem on site. Some patients will need follow-up care from local dentists and clinics. If you are willing to volunteer for follow-up care, contact the Indiana Dental Association at **800-562-5646** or [indianamom@indentall.org](mailto:indianamom@indentall.org). Thank you in advance for your participation in this important event!
